

Workforce Resource Groups

Open to affinity members and allies!

Welcome to the BSA! You are part of a national network of Scouting employees, and there are great opportunities to connect with others both inside and outside of your council.

Workforce Resource Groups (WRGs) are open to all employees. They offer great benefits, including support, mentoring, networking, education, and opportunities to help foster inclusion.

Please reach out to the contacts below to join any or all of our WRGs. Each leader can share information about upcoming events, how to connect with mentors, and other ways to get involved.
